

PILGRIM HALL MUSEUM

America's Museum of Pilgrim Possessions

Embark on a Pilgrimage into America's Earliest History

AMERICA'S MUSEUM OF PILGRIM POSSESSIONS

It started in Plymouth almost 400 years ago - a group of English families seeking freedom and a new life arrived on the ship *Mayflower* in 1620. Immerse yourself in the experiences of the Pilgrims and Wampanoag, presented in the world's finest collection of early Plymouth possessions.

Pilgrim Hall offers three exhibit galleries, changing exhibitions, a superb orientation film, and an unmatched collection of the actual belongings of the *Mayflower* Pilgrims. From the handmade doll of a child passenger to the Bible of Governor William Bradford, authentic relics of 17th century life offer an intimate gateway to the earliest American immigrant experience.

Located in the heart of Plymouth's cultural district, Pilgrim Hall Museum is steps away from restaurants, galleries, shops, performance centers, and an exuberant nightlife. With the historic waterfront, whalewatch cruises, and Plymouth Rock right around the corner, the museum is a great anchorage for your group to enjoy Plymouth's lively historic downtown.
